May 2017

Dear Valued Customer:

Sound Engineering is pleased to announce continued support of your Ascom Nurse Call System. We will be working with Tyco SimplexGrinnell, a certified dealer of Ascom solutions for North America. Together Tyco SimplexGrinnell and Sound Engineering are excited to continue to bring Ascom Nurse Call solutions to our customers.

This arrangement with Tyco SimplexGrinnell will ensure continued access of system components. Sound Engineering and Tyco SimplexGrinnell are committed to providing Ascom certified technical support for installation and service. Tyco SimplexGrinnell and Sound Engineering will work together to provide you with new Ascom Nurse Call installations, upgrades or modifications.

Please be assured that Sound Engineering is here to provide you with your technology needs. The products and services we can provide include:

- |                              |                        |
|------------------------------|------------------------|
| *Wireless Nurse Call Systems | *Door Alert Systems    |
| *Nurse Call Systems          | *PA Systems            |
| *Code Blue Systems           | *CCTV Systems          |
| *Light Call Systems          | *A/V Systems           |
| *Tracking Systems            | *Intercom Systems      |
